Medical Camps

ICSC conducts medical camps to identify the differentially abled. About 50 persons are identified to have developmental disabilities in every Panchayath. ICSC also provides medical check up facilities occasionally.

Cultural Programs

ICSC staff and volunteers train children and adults alike in performing arts and giving them opportunities to integrate and interact with mainstream society, thereby creating awareness and eliminating stigma. Theeram has organized a team called 'Theeram Kalaveedi' to perform stage programs

'Friends of Theeram'

Well wishers and supporters of 'Theeram' have formed circles of 'Friends of Theeram' in various parts of the world. FoT USA is now incorporated as a non profit charitable organization. (Friends of Theeram NA, Inc. Reg. Number : 800955415 Dated : 03/24/2008) FoT Kuwait is regularly supporting Theeram activities. Oman and UAE circles are being formally organized to be the arms of Theeram

India Center for Social Change

Welcome to **India Center for Social Change (ICSC)**, a non-profit organization that seeks to provide support services to children and adults with mental retardation and other developmental disabilities in India.

ICSC, a non-governmental charitable organization, registered under (Reg.No.65/2002/IV) the Government of India Charitable Trust Act, has been working among children with developmental disabilities since 2002.

ICSC is a viable instrument of social change; it emphasizes research, special education, advocacy and health programs, by empowering people with disabilities, their families, and the community at large, to make decisions of life priorities for themselves.
