PROPOSED ICSC THEERAM RESIDENTIAL & DAY CARE CENTRE

ICSC Theeram is dedicated for the empowerment of the mentally challenged in our society. Training, rehabilitation and self reliance is imparted through the various programs initiated through the 11 centres of Theeram. The rights and privileges of the socially sidelined persons are brought to the lime light through social interventions. ICSC Theeram acts as catalysts and advocates bringing the government schemes to the concerned families.

Mrs. Santhamma Philipose, Puthenpurackal, Vakathanam, has donated 34 cents of land to ICSC. We are planning to construct a residential/ day care Center for Theeram at Thrukkothamagalam, Kottayam. The foundation stone was laid on August 1, 2009. We solicit prayers and support from our friends for this project.

We are happy to report that we were generously supported by the public at large to cater the needs of 200 persons through our centers. We are humbly presenting the project of construction of a residential center to care of the utmost needed of our trainees. Please be kind enough to uphold this project and support us in this venture. The details of the schemes are given overleaf.

Donations may kindly be drawn to 'India Center for Social Change' to the Director
