# Transforming Lives Together

*God humbled Himself into the manger*

*God identified with the shepherds and the poor*

*God confined Himself into a babe in the arms of Mary*

*Christmas is to identify with the less privileged*

*Christmas brings joy to the whole world*

*Let us become an instrument of joy to all !*

Remembering all our supporters and well wishers

Best wishes of Christmas and New Year

Lovingly,

Moolelachen

From Theeram Family
